Re: Temporary Closure of U Sail Bermuda Centre until further notice due to Coronavirus COVID-19

As a family established watersports centre, we have an emphasis on giving you the very best watersports experience on one of our many activities through the centre. This decision is not made without our heavy hearts and very much considering government advice due to Coronavirus COVID-19 pandemic outbreak. We will be temporarily closing until further notice due to Coronavirus (COVID-19).

The health and safety of all our customers, staff and community is our number 1 priority as always. If you have made a booking for the next few weeks, our team will be personally in touch with you regarding rescheduling to a later date in the foreseeable future.

We know being active in participating in outdoor adventures is excellent for our life. However, our personal health is far more important to our families and loved ones.

We would like to thank you for supporting this small business during these uncertain and challenging times and will keep you updated when we are going to be open for time on the water once again.

Please stay safe during these times!

Your Sincerely,

Thomas Penruddocke

Director of Activities
